STOCKHOLM, Sweden (AP) — Sweden's armed forces have cracked on a secret program to

destroy the defense plans and weapons. He visited NATO military installations. He was in frequent contact with Danish and

Swedish military leaders.

He was captured by Soviet Union

by air force Col.

Erik Wennerstrom

(1931)

There is an atmosphere of

most wartime urgency at the Defense Ministry.

Lights burn late into the night as army, navy and air force officers grapple with the task of repairing the improbable loss of the nation's entire defense strategy to the Russians.

Security services are working around the clock to check on other possible leading in the military establishment of the government.

Everyone in the government, on position papers, defense staffs and the news media, agree that Wennerstrom betrayed Sweden. The tall, suave, urbane admiral has confessed that he sold military secrets to the Russians for 15 years.

During the 1940's and 50's

cess to Sweden's entire defense strategy. Wennerstrom knew all about the North Atlantic Treaty Organization's defense plans and weapons. He visited NATO military installations. He was in frequent contact with Danish and

Swedish military leaders.
